SQUEEGY PAINTED BUTTERFLY

STEP 1

- Draw a butterfly wing in the middle of one of the paper plates
- Cut out the wing
- Trace the butterfly wing on the other plate
- Cut the second wing out

SQUEEGY PAINTED BUTTERFLY

STEP 2

- Place one of the wings on the newspaper
- Squeeze puddles of paint, right beside each other, on the flat side of the wing
- Use a large popsicle stick to pull the paint across the wing
- Repeat this process for the second wing
- Let the paint dry

STEP 3

- Pinch the pompom with the clothespin to make a "paint brush"
- Paint a large popsicle stick a color of your choice to make the body of the butterfly
- Allow the paint to dry
