

DIY FISHING GAME

Supplies From the Bag:

- Paper plates (9" coated)
- Washi tape (assorted)
- Scissors
- Pipe cleaners (assorted)
- Large popicle stick
- White yarn
- Blue construction paper (optional)

DIY FISHING GAME

STEP 1

- Cut the paper plates in half (1 half for each fish you want to make)
- Cover the centre of each plate, front and back, with washi tape

DIY FISHING GAME

STEP 2

- Draw a fish that will fish on a blank half plate and cut it out to use as a template
- Trace it on each washi covered half plate and then cut each out

DIY FISHING GAME

STEP 3

- Use the hole punch to make a hold in the head of each fish
