

## Yarn Wrapped Sheep

SUPPLIES FROM THE BAG

- Paper plate (9" coated)
- White yarn
- Scissors
- Black construction paper
- Cotton balls
- 2 Googly eyes
- Tacky glue
- 4 Clothespins
- Black patterned washi tape

## YARN WRAPPED SHEEP

STEP 1

- Cut a cloud shape out of the middle of the paper plate for the body of the sheep
- Cut a sheep head shape from the black construction paper (template available at <https://inthebagkidscrafts.com/easy-sheep-craft-for-kids>)

## YARN WRAPPED SHEEP

STEP 2

- Wrap white yarn around the body of the sheep until it is as fluffy as you want it to be
- Tuck the ends under other yarn in the back to secure it in place.

## YARN WRAPPED SHEEP

STEP 3

- Fluff up a cotton ball by pulling it and glue half of the cotton ball on the top of the head of your sheep
- Glue the googly eyes in place
- Draw on details as desired with the Sharpie
