

# Popsicle Stick Polar Bear

SUPPLIES FROM THE BAG

- 4 Large popsicle sticks
- White paint
- Newspaper
- Clothespin
- Medium pom-pom
- Scraps of white construction paper
- Black sharpie marker
- Scissors
- Elmer's glue
- 2 Googly eyes
- White yarn

## POPSICLE STICK POLAR BEAR

STEP 1

- Lay 3 large popsicle sticks side by side
- Place glue on a fourth stick and lay it on top diagonally to secure all the pieces together
- Allow the glue to dry thoroughly before moving on

## POPSICLE STICK POLAR BEAR

STEP 2

- Place the glued together popsicle sticks onto the newspaper and squeeze a little white paint onto the paper
- Pinch the pom-pom with the clothespin to form a "paint brush"
- Paint the popsicle sticks white and allow paint to dry

## POPSICLE STICK POLAR BEAR

STEP 3

- Wrap the white yarn around the "bellow" of your polar bear until he is as fluffy as you want him
- Then, cut the yarn and tie the ends together to secure
- Glue the googly eyes in place and let the glue dry
