

RAINY DAY MOBILE

step 4

- Sandwich a piece of string in between a pair of rain-drops and glue together. Repeat with all the yarn pieces.
- * Alternate the locations and always put one at the end
- Tie a knot in the top of each piece of yarn

RAINY DAY MOBILE

step 5

- Tear strips of newspaper and crumple them into balls
- Don't overfill the cloud

RAINY DAY MOBILE

step 6

- Place the knotted end of a piece of yarn between the pieces of newspaper at the bottom and secure with a staple.
- Repeat this for each piece of string, spacing evenly
