

## SLEDDING SNOWMAN CHRISTMAS CARD

### SUPPLIES FROM THE BAG

- Blue construction paper
- White construction paper
- Scissors
- Glue stick
- White paint
- Scraps of orange, red, black and green paper
- Large popsicle stick
- Markers & Sharpie
- Q-tip
- Pencil
- Paper plate
- Washi tape for scarf

## SLEDDING SNOWMAN CHRISTMAS CARD

### STEP 1

- Squeeze a small amount of white paint onto the paper plate
- Place the popsicle stick on the plate. Use your finger (or thumb for little ones) and make 3 stacked fingerprints on the popsicle stick

## SLEDDING SNOWMAN CHRISTMAS CARD

### STEP 2

- Fold the blue and white papers in half
- Cut the white paper on the fold and draw a curve on one side. This will be the hillside that the snowman sleds down. Cut out the hill.
- Place the hill on the front of the card and trace it. Then cut a slit where the hill is, leaving about an inch. This may require adult help.

## SLEDDING SNOWMAN CHRISTMAS CARD

### STEP 3

- Glue the hillside onto the front of the card with the glue stick
- Trim the remaining 1/2 piece of white paper and glue it to the inside of the card for a writing surface. Write your message.
- Dip the q-tip into the white paint and add snow to the front
