

## SLEDDING SNOWMAN CHRISTMAS CARD

### STEP 4

- From the scraps of paper, cut out a carrot nose, hat with band, and sled
- Wrap a piece of washi tape around the popsicle stick to make a scarf. Put a piece of paper on the back and trim the excess so that it won't stick
- Glue the pieces onto the snowman and make a mouth and eye with the sharpie marker

## SLEDDING SNOWMAN CHRISTMAS CARD

### STEP 5

- From the scraps of paper, cut out a carrot nose, hat with band, and sled
- Wrap a piece of washi tape around the popsicle stick to make a scarf. Put a piece of paper on the back and trim the excess so that it won't stick
- Glue the pieces onto the snowman and make a mouth and eye with the sharpie marker

## SLEDDING SNOWMAN CHRISTMAS CARD

### STEP 6

- Slide the finished snowman into the slit in the front of the card so that he can slide down the hill
- \*The snowman can also be used as a bookmark when he is done sledding!
