

## FULL SIZED SUNFLOWER

SUPPLIES FROM THE BAG

INTHEBACKKIDSCRAFTS.COM

- Yellow construction paper
- Clothespin
- Green construction paper
- Medium pompom
- Brown Paint
- Newspaper
- Paper plate (9" coated)
- Glue stick
- Stapler and staples
- Pencil
- Scissors
- Tape

## FULL SIZED SUNFLOWER

STEP 1

- Cut the curved edge off of the plate, leaving a large circle
- Pinch the pompom with the clothespin to form a "paintbrush"
- Paint the circle with brown paint using a dabbing motion.
- Set aside to allow the paint to dry.

## FULL SIZED SUNFLOWER

STEP 2

- Cut strips of paper, approximately 1 1/2-2" wide from the green construction paper
- Staple into circles and link together into a chain until the chain ("stem") is about 3-4 feet long

## FULL SIZED SUNFLOWER

STEP 3

- Cut out 4-6 large leaves from the green construction paper \*Go to the blog post for a free printable template if needed
- Staple the leaves down the sides of the stem toward the top
