

## Supplies:

- Crayons or markers
- Scissors
- Stapler with staples
- Sandwich ziploc bags
- Valentine treat of your choice
- Valentine treat printables

## Instructions:

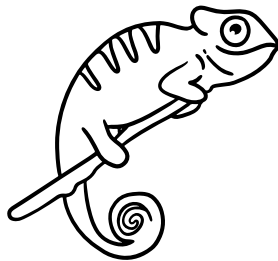

- Choose what Valentine treat printable you would like to make.
- Download and print the design onto cardstock (regular paper will also work).
- Cut out your treat printable.
- Color it however you like with crayons or markers.
- Fill your ziploc baggie about halfway with a Valentine treat of your choice. Don't overfill.
- Fold over the top of your treat printable and place the bag inside the folded paper.
- Place a staple on each side so that the bag is attached to the printable.
