

Lacing Cloud Craft

SUPPLIES FROM THE BAG

- Paper plate (9-inch coated)
- Scissors
- Black Sharpie
- Hole punch
- Newspaper
- Light blue paint
- White yarn
- Clothespin
- Medium pompom
- Tape
- Washi tape (assorted colors)

LACING CLOUD CRAFT

STEP 1

- Draw a cloud shape freehand on the front of the plate
- Cut out the cloud (this may be a job for an adult depending on the age of your child)

LACING CLOUD CRAFT

STEP 2

- Use the hole punch to make holes all around the cloud form
- *Space them about 1/2 inch apart and be sure to have holes where there is a sharp change in direction

LACING CLOUD CRAFT

STEP 3

- Place the plate on the newspaper with the bottom up
- Squeeze out a little paint onto the paper
- Pinch the pompom with the clothespin to form a "paint brush" and paint the plate light blue
