

LACING CLOUD CRAFT

STEP 4

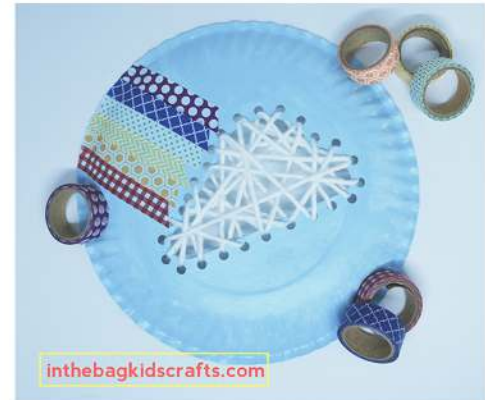

- Cut a length of yarn about a yard long and wrap tape around the end (Get another piece if you need more later)
- Pull through the first hole and secure in the back with a piece of tape
- Lace the yarn in and out of the holes, forming the cloud

LACING CLOUD CRAFT

STEP 5 (Option 1)

- Cut pieces of washi tape in various colors
- Place the tape pieces side by side, coming out of the cloud, to form a rainbow

LACING CLOUD CRAFT

STEP 5 (Option 2)

Additional Supplies Needed:

- Orange and yellow construction paper
- Glue stick
- Now cut out the pieces of your sun and glue them in place
