

# FLAMINGO FINGERPRINT BOOKMARKS

## Supplies From the Bag:

- Washi tape
- Pink paint
- 2 Paper plates
- Markers
- Construction paper
- White Yarn
- Scissors
- Hole punch

## Flamingo Fingerprint Bookmarks STEP 1

- Cut a strip of construction paper (color of your choice) approximately 2 inches wide
- To cut a straight line, make a fold in the paper first

## Flamingo Fingerprint Bookmarks STEP 2

- Place a small amount of pink paint on a paper plate
- Dip the pad of your index finger in the paint
- Touch your painted finger first to the paper plate and then to the strip of paper where you would like your flamingo body
- Repeat this step using your pinky finger for the head of the bird

## Flamingo Fingerprint Bookmarks STEP 3

- Once the paint has dried, draw in some details (beak, legs, neck...)
